

## CASE STUDY

# HAVEN HOLIDAY PARK VIP POOL

Sandy Bay in Exmouth is one of the largest holiday parks in the area with an increased amount of VIP Members who keep their static caravans here yearly, with this in mind Haven Warner the park owners wanted to construct a private VIP Spa and pool area for these members. Arena Tiling were employed to do all of the pool surround wall and floor tiling with tiles supplied from the Craven Dunhill range.

From initial tender stage it was clear to see this was not any normal tiling project, the large format wall tiling was set out using three different sized tiles to create the desired effect to all walls and columns. The pool surround and corridor tiling all had to line up with the walls to create the effect the design team wanted.

The work completed by Arena Tiling on this project was congratulated by client, designer and the main contractor, and another quality long lasting project was achieved.
