

CASE STUDY**MERCEDES BENZ, SHREWSBURY**

ARENA Completed the tiling and soft flooring to the new build UK flagship Mercedes Benz dealership located in Shrewsbury. This motor retail project which will be flying the flag for the forthcoming planned refurbishments rolling out across the UK for this prestigious German manufacturer. The success and finish of this dealership was commented on the client as being nothing less than excellent.

The project involved over 1500m² of wall and floor tiling, laid throughout showroom, workshop and toilet areas. In addition we also laid 400m² carpet tiles to offices and 200m² vinyl to back of house areas.
