

## CASE STUDY

## WESTERLY BMW, EXETER

Arena Tiling Ltd have completed yet another prestigious Motor retail showroom. The £60,000 contract was completed at the home of Westerly BMW, Marsh Barton Exeter.

Marsh Barton Exeter holds more car dealerships in a square mile radius than any other location in Europe. This makes it a great base for the specialist Motor retail division of the leading tiling contractor in the South West. Arena have worked on over 20 dealerships within the last few years, offering complete floor and wall finishes to this niche market.

Our experience and reputation within this sector made Arena the obvious choice for this project. The works included over 800m<sup>2</sup> of wall and floor tiling, plus a full scope of preparation works prior to tiling.
